

Corrigendum

The authors would like to draw the reader's attention to errors in the following article:

Muguruma K, Kunisawa S, Fushimi K, Imanaka, Y. Epidemiology and volume-outcome relationship of extracorporeal membrane oxygenation for respiratory failure in Japan: A retrospective observational study using a national administrative database. *Acute Med Surg.* 2020; 7: e486.

On page 2, under 'Patient selection':

"cardiopulmonary failure" should read as "pulmonary circulation disorder"

On page 2, under 'Variables and outcomes':

"calculated" should read as "estimated" and "(J90–94)" should read as "J80%"

On page 3, under 'Statistical analyses':

"effects" should read as "intercept"

In Table 1, 5th column heading:

"Cardiopulmonary failure" should read as "Pulmonary circulation disorder"

The authors apologize for these errors and any confusion these may have caused.
